

Captain's Ketch was founded in 1982 in Easton, Maryland by Keith MacPherson. Our goal is to select only the freshest quality product available. We specialize in local Chesapeake Bay seafood and also offer both fresh and frozen seafood from around the world. We pride ourselves on freshness, quality and service.

Over the past 3 decades, Captain's Ketch Seafood Market has become a familiar landmark to many Eastern Shore locals and visitors. Keith and his entire staff have established a well deserved reputation by offering only the freshest quality seafood products and always friendly customer service. People regularly stop by to visit our market because they can always depend on a wide selection of freshly cut fish fillets, hand picked crabmeat, clams, shrimp, oysters, crab cakes and other homemade seafood specialties that are truly unique to the Chesapeake Bay area.
